

There's so much you can recycle using your blue bin kerbside recycling service

Thank You

Thanks to your efforts, Argyll and Bute currently diverts over 40% of household waste from landfill - but we have to do more.

The Scottish Government has set us a challenge to recycle 60% by 2020.

Please use your recycling bag for plastic bottles and cans.

For quality, repaired and recycled household goods visit Fyne Futures' re-use store and Restyle shop in Deanhood Place, Rothesay.

Please recycle glass at your local recycling point.

You can also recycle materials at a local recycling centre. Westlands Recycling Centre takes many other items as well such as household batteries, green garden waste, any (large or small) electrical or battery operated item, scrap metal, fluorescent tubes, light bulbs, glass bottles and jars, textiles, engine oil, rubble and wood. For further details, please contact the Council on the Enquiry Line: 01546 605 514 or email: enquiries@argyll-bute.gov.uk. Information can also be found on the Argyll and Bute Council website: www.argyll-bute.gov.uk.

 **recycle** for Argyll and Bute

What can go in your blue bin?

Yes please - blue bin

- ✓ Office paper
- ✓ Printer paper
